

Declaration of Performance

TT20-CPR-2016-Version1

Product:

Product type/application: Room heater burning solid fuel without hot water supply
Type: **TT20:** S01-600/601, **TT20R:** S01-602/603, **TT20SA:** S01-626,
TT20S: S01-618/619, **TT20RS:** S01-620/621, **TT20BAZIC / R:** S01-606/608
Fuel: Wood
Productions no. Please see nameplate on the back of the oven

Manufacturer:

TermaTech A/S
Gunnar Clausens Vej 36
8260 Viby J
Denmark
E-mail: info@termatech.com
Web: www.termatech.com
Tel.: +45 8742 0035

Certification and requirements:

AVCP system: System 3
European standard: DS/DIN/EN 13240:2001 + A2:2004/2007
Certification: Rhein-Ruhr Feuerstätten Prüfstelle GmbH, notified body no. 1625, has performed determination of the product type and declared performance on the basis of type testing and issued test report no. 40 11 2613. Teknologisk Institut, notified body no. 1235, has performed determination of the product type and declared performance on the basis of type testing and issued test report no. 300-ELAB-1520-SIK-Rev-1.

Declared performance:

Essential characteristics	Performance	Harmonised technical specification
Reaction to fire	AI	DS/DIN/EN 13240:2001 + A2:2004/2007
Distance to combustible materials	Rear: min. 150 mm Sides: min. 350 mm Other safety distances – please see User and mounting manual	
Emission of combustion products	CO = 0,08 % NOx = 125 mg/m ³ OGC = 107 mgC/Nm ³ PM = 24 mg/m ³	
Risk of burning fuel falling out	Passed	
Surface temperature	Passed	
Clean ability	Passed	
Mechanical strength	Passed	
Emission of hazardous materials	Passed	
Flue gas temperature	273° Celsius	
Output	5,0 KW	
Energy efficiency	83,4 %	

The undersigned is responsible for the manufacturing and conformity with the declared performance.

1.6.2016

Søren Toft
