

Declaration of Performance

TT60-CPR-2017-Version1

Product:

Product type/application: Room heater burning solid fuel without hot water supply

Type: **TT60:** S01-670

TT60S: S01-672

Fuel: Wood

Productions no. Please see nameplate on the back of the oven

Manufacturer:

TermaTech A/S
Gunnar Clausens Vej 36
8260 Viby J
Denmark

E-mail: info@termatech.com

Web: www.termatech.com

Tel.: +45 8742 0035

Certification and requirements:

AVCP system: System 3

European standard: DS/DIN/EN 13240:2001 + A2:2004/2007

Certification: Technologic Institute, notified body no. 1235, has performed determination of the product type and declared performance on the basis of type testing and issued test report no. 300-ELAB-2263-EN.

Declared performance:

Essential characteristics	Performance	Harmonised technical specification
Reaction to fire	AI	DS/DIN/EN 13240:2001 + A2:2004/2007
Distance to combustible materials	Rear: min. 75mm Sides: min. 350mm Other safety distances – please see User and mounting manual	
Emission of combustion products	CO = 0,071% NOx = 84 mg/m ³ OGC = 62 mgC/Nm ³ PM = 8 mg/m ³	
Risk of burning fuel falling out	Passed	
Surface temperature	Passed	
Clean ability	Passed	
Mechanical strength	Passed	
Emission of hazardous materials	Passed	
Flue gas temperature	226° Celsius	
Output	6,0 KW	
Energy efficiency	83 %	

The undersigned is responsible for the manufacturing and conformity with the declared performance.

19.10.2017
